Presidents Message

Firstly, I would like to thank the community for supporting our show as we have continued to see wonderful attendance numbers and many happy faces enjoying all there is to see and do on show day. Secondly, this show could not be the success it is without the dedicated committee, and over the years I have seen it growing in both numbers, enthusiasm, and expertise which ensures that this great event will continue for many years to come. Thirdly, I would especially like to thank our outgoing President Jacqueline Francis for her dedication and willingness to be involved with all aspects of our show, and the show societies which is greatly appreciated and a reason for our ongoing success.

The show this year will be bigger and better with fun and games, trade stalls, show bag trail, animals, competitions, and entertainment ensuring that there will be something to interest everyone. Many amazing volunteers throughout the community help to put together this enjoyable day so please come and visit for the day as we would love to see you there.
